7 September 1973

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT : Authorization for Continued Review
of NASA Satellite Imagery

1. I have received the instructions distributed by you on this subject at the 31 August 1973 Executive Council session. I have studied them and have a clear understanding of their import. I recommend revision of the original text to read as attached.

2. Neither the original nor the proposed revised text will require any modification of Agency Regulations.

MEMORANDUM

SUBJECT: NASA Imagery

NPIC and COMIREX are authorized to continue to review NASA satellite imagery: (1) to identify imagery which might inadvertently jeopardize classified reconnaissance programs, and (2) to identify photographs of certain subjects within foreign areas, which it is in the national interest that the appropriate government not be aware that we hold. ORD is authorized to continue to provide technical information as to satellite sensors to NASA for use in resources assessment.
